

Modification of Assessment Criteria

This document serves as formal notification of a modification to the assessment criteria for the aforementioned course. In accordance with institutional academic policy, and to ensure full transparency and fairness, your written acknowledgment and consent to the revised criteria are required. This agreement is intended to prevent any potential misunderstandings.

Original assessment criteria

- Assignments: 40%:
 - project 1: 10%
 - project 2: 10%
 - project 3: 20%
- Final exam: 60%

Modified assessment criteria

- Assignments: 50%:
 - project 1: 10%
 - project 2: 15%
 - project 3: 25%
- Final exam: 50%

These changes aim to enhance continuous assessment throughout the semester and provide a more balanced evaluation of student progress.
